Dear Mr. Martuscelli:

RE: 2012 Natural Gas Distribution Integrity Management Program Inspection

Thank you for your letter dated November 19, 2012, addressing the findings of our Distribution Integrity Management Program (DIMP) inspection conducted from August 21 – 23, 2012. Staff accepts CNG's proposals to modify and revise its DIMP program where necessary and complete a new validated risk model no later than March 31, 2013.

I request that a copy of the revised DIMP procedures and validated risk model be submitted to the commission upon completion.

If you have any questions, or if we may be of any assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,

David D. Lykken
Pipeline Safety Director
