Subject: RE: Extension request

Hello Dean,

No need for an extension request. I am comfortable that since you have made the submission to the NPMS that we can consider this item closed. Simply forward the confirmation to us upon receipt.

Dennis Ritter will schedule some time, if necessary to follow-up the other work the company has done after which I will send you a letter acknowledging that staff has confirmed the same.

Best Regards,
Dave

David Lykken

Subject: Extension request

Hello Mr. Lykken,
Attached is a request for extension to complete corrective actions.
In short, we are waiting for our RFP # to complete submission to the NPMS.

Hard copy of request will also be mailed.

Thanks for your consideration.

L. Dean Williams
