Dear Mr. Yoshihara:

RE: 2014 Integrity Management - Northwest Natural Camas - Transmission

We conducted an Integrity Management inspection of your Camas transmission pipeline on September 3 - 4, 2014. The inspection included a field inspection of the pipeline facility on September 3, 2014, and a records review in your Portland headquarters on September 4, 2014.

No violations or other related issues were noted as a result of this inspection. This inspection will be closed as of September 9, 2014.

Staff would like to thank NWN personnel for their assistance and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,

David D. Lykken
Pipeline Safety Director
