Dear Mr. Rasler:

RE: **2014 Natural Gas Operator Inspection – Inland Empire Paper company**

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification (OQ) inspection and exit interview on May 12, 2014, of Inland Empire Paper company (Inland) gas pipeline system. The inspection included a review of the Inland OQ plan and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Inland's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Patti Johnson at (360) 870-4915.

Sincerely,

David D. Lykken  
Pipeline Safety Director
