Dear Mr. Daly:

**RE: 2015 Hydrogen Gas Operator Qualification (OQ) Program Inspection – Solvay Chemicals, Inc. – (Insp. No. 6201)**

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification (OQ) inspection on February 25, 2015, of Solvay Chemicals, Inc. (Solvay). The inspection included a review of the company's OQ Program and associated records.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of March 4, 2015.

Staff would like to thank Solvay's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Ronda Shupert at (360) 664-1182.

Sincerely,

David D. Lykken  
Pipeline Safety Director
