Dear Mr. Reed:

**RE: 2016 Hazardous Liquid Operations and Maintenance Manual Review – Tidewater Terminal Company – Snake River Terminal – (Insp. No. 6764)**

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operations and Maintenance Manual review from August 5, 2016 to October 20, 2016, of Tidewater Terminal Company's (Tidewater), Snake River Terminal Inbound/Outbound Pipelines and Pasco Rail Diesel Line. The inspection included a review of Tidewater's Pipeline Operations and Maintenance Manual.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of October 25, 2016.

Staff thanks Tidewater's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Derek Norwood at (360) 664-1296.

Sincerely,

Alan E. Rathbun  
Pipeline Safety Director
