Dear Mr. Maret:

RE: 2016 Hazardous Liquid Control Room Management Inspection – BP Cherry Point Refinery – (Insp. No. 6766)

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Control Room Management inspection from Oct. 11-13, 2016, of BP Cherry Point Refinery. The inspection included a records review and inspection of the pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of Nov. 9, 2016.

Staff thanks BP Cherry Point Refinery's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Lex Vinsel at (360) 664-1319.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alan E. Rathbun".
