Dear Mr. Yoshihara:

**RE: 2017 Natural Gas Public Awareness Program Effectiveness Inspection
NW Natural, Headquarters (Insp. No. 7268)**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness Program Effectiveness inspection on April 25, of NW Natural Headquarters (NWN). The inspection included a review of the Public Awareness Program, Plan and associated records.

No apparent violations were noted as a result of the inspection, therefore this inspection will be closed as of June 1.

Staff thanks NWN's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Anthony Dorrough at (360) 664-1318.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
