**RE: 2020 Hazardous Liquid Standard Comprehensive Inspection – Petrogas West, LLC –
Ferndale Storage Terminal (Insp. 8035)**

Dear Mr. Storoshenko:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard Comprehensive Hazardous Liquids (HL) inspection of Petrogas West, LLC, (Petrogas), Ferndale Storage Terminal on Aug 19, 2020. The inspection included a process and records review of pipeline facilities.

No apparent violations were noted as a result of the inspection; therefore, this inspection will be closed as of the date of this letter.

Staff thanks Petrogas personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
