**RE: 2020 Natural Gas Transmission Inspection – Northwest Natural Gas Company –
Headquarters (Insp. No. 8057)**

Dear Mr. Huddleston:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Natural Gas Transmission System inspection of Northwest Natural Gas Company's (NWN) Camas Transmission Pipeline from April 8, 2020 to April 16, 2020. The inspection included an electronic records review and a field inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff would like to thank NWN's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Rukke at (360) 870-4923.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
