**RE: 2018 Natural Gas Standard Inspection – BP Pipelines (North America) Inc.  
Ferndale Pipeline System (Insp. No. 7573)**

Dear Mr. Maret:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard Inspection of Ferndale Pipeline System (Ferndale), on Aug. 14-16. The inspection included a records review and inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of Aug. 30.

Staff thanks Ferndale's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 664-1296.

Sincerely,

Sean C. Mayo  
Pipeline Safety Director
