**RE: 2022 Natural Gas Intrastate Transmission Section 114 Compliance Review – Cardinal FG
(Insp. No. 8529)**

Dear Mr. Smith:

Pursuant to 49 U.S.C. 60108(a)(3), as amended by section 114(a) of the PIPES Act of 2020 (Section 114), PHMSA and state authorities with a certification under 49 U.S.C. 60105 will inspect operators' revised O&M plans in calendar year 2022.

On May 24, 2022, staff from the Washington Utilities and Transportation Commission (staff) conducted a Section 114 review of Cardinal FD operations and maintenance plans. No apparent violations of Section 114 requirements were discovered during this inspection. This inspection will be closed as of the date of this letter

Staff thanks Cardinal's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Darren Tinnerstet at (360) 764-0779.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
